## IT'S TIME TO MAKE NEW MEMORIES

Time has allowed us to preserve the best of Peter Island's past while carefully re-imagining its future, from its luxury accommodations and amenities, to the guest experience. The soul of the island, the warmth of the people, and the unspoiled natural beauty that makes the British Virgin Islands so special, remain the same.

All of the resort's new accommodations and facilities are beachfront with spectacular ocean views and just steps from the water's edge. Newly re-imagined amenities and exclusive experiences have been curated for you, so you may enjoy "Our Island, Your Way", ensuring your aspirations become your reality.
